## Golden State
*News of Interest to All*

**Declaring that the State Park Bond Act, if ratified, will gain for California $12,000,000 worth of parks through the expenditure of $6,000,000, Duncan McDuffie, chairman of the California State Parks Council, addressed a meeting of the council in the Palace Hotel, San Francisco, a few days ago. The meeting was held to discuss ways and means of carrying on the campaign for the passage of the bond issue, which will come before the voters of the state at the election in November, 1928.**

Construction of a $3,000,000 Federal building on the Civic Center was assured at San Francisco a few days ago, with word from Washington that President Coolidge had signed the new $100,000,000 public buildings appropriation bill. Ten million dollars out of the national appropriation will be spent in California, it was announced. Oakand will get a new $1,000,000 post-office to be erected near the site of the present building. Besides the Federal buildings at San Francisco on the Civic Center, many thousands will be devoted to remodeling the post-office building in Seventh street to provide two extra courtrooms and other improvements.

Two men under sentence of death were received at San Quentin a few days ago and locked in condemned-row awaiting the call of the hangman. They are Clarence "Buck" Kelly, San Francisco terror bandit, and Edgar LaPierre, convicted of killing an Oakland police inspector. The new arrivals brought the number in condemned-row to six. La Pierre is scheduled to hang April 27; Kelly May 11.

Reckless and intoxicated California motorists caused 9,159 accidents involving either injury or death, during 1927. This is shown in records of the state division of motor vehicles, as forwarded in reports by police departments and traffic officers throughout the state. The records place the number who died during the year from motor accidents at 1,651, those seriously injured at 4,277, and those receiving minor injuries at 14,091.

Statement of plans of the Western Air Express, Inc., of Los Angeles, to conduct air passenger service between Los Angeles and San Francisco were confirmed last week by Harry Guggenheim, president of the Guggenheim Foundation to Promote Aeronautics. An equipment trust loan has been made to the Western Air Express for the purchase of three fourteen-passenger Fokker planes for use on the Los Angeles-San Francisco route, it was stated.

Folsom's six Thanksgiving day murderers who escaped the noose through an unusual jury verdict at Sacramento last week, are to be tried again for their lives. District Attorney Neil R. McAllister announced that the sextet, already convicted of the first degree murder of Guard Ray Singleton, will be prosecuted a second time for the slaying of George "Red" Baker, Folsom trusty who was shot to death in the prison revolt of last November.

Earl E. Jensen, state director of institutions, within thirty days will ask Governor C. C. Young to approve a location for temporary quarters to treat California's narcotic addicits. Jensen indicated that it will be at one of the state hospitals. Eventually it is planned to establish a separate institution for treating addicts. As soon as the governor's approval is secured, work will be rushed in providing quarters and equipment and establishing a personnel. "It is planned to employ the latest, most humane and scientific methods of treatment, to furnish supervision after the patients have been discharged from the institution, and to render assistance in securing employment and proper placement," Jensen said.

Employment of California residents, and especially those with families, on highway construction projects, in preference to transients drawn here by the mild winter weather, was recommended by Governor C. C. Young to B. B. Meek, director of the state department of public works last week. The Governor at the same time complimented Meek and other highway officials on their announced program of hastening opening of spring highway work so the unemployment situation may be relieved. Governor Young also has urged the division of highways and the division of architecture to work with the state's free employment agencies when the need for labor arises. The state bureaus, he pointed out, by co-operating with all the other agencies, are in touch with the most desirable labor supply and can fill any needs.

## COUNTY CONSOLIDATED HOLDS BUSY SESSION

Endorsing and formally establishing Santa Clara County's Fiesta de las Rosas as an annual county celebration by unanimous vote, Santa Clara County Consolidated members enthusiastically discussed and gave their organized co-operative support to this county undertaking at the regular monthly meeting of the organization held at noon luncheon, Tuesday, in the newly-constructed clubhouse of the Mountain View Women's Club.

A. M. Mortenson, fiesta parade chairman, stated that the citizens of San Jose had voted that the celebration be made an annual event, and that it gave this county the very best kind of favorable advertising.

"Our Fiesta de las Rosas has been of tremendous value in advertising the beauties of this county. We all believe that it 'pays to advertise' and we are sincere in our belief that it certainly does 'pay' if we do it the right way," Mortenson declared.

After offering the free services of a float artist in helping to sketch designs, he pointed out that by means of the experience gained in float-building during the last two years it was found that any number of a very creditable float entries can be constructed and decorated by a community for a sum not to exceed over $200 for a single entry. He also urged the communities to do their own work in the own city, spend what money they necessarily had to spend in their own city, and to make their respective entries actually home-built affairs.

**Miss Downing Elected Secretary**

Ray Smith of Palo Alto, secretary of Consolidated since its inception more than three years ago, tendered his resignation from the office because of many pressing duties, including his position as business manager of the Chamber of Commerce Summer School at Stanford University.

After a vote of thanks and an acceptance with sincere regret of Smith's resignation, Miss Bernice Downing of Santa Clara, who was acting as temporary secretary, was elected to the position.

**Sherman welcomes members**

President Wendell C. Thomas opened the meeting and called upon Roger Sherman, president of the Mountain View Chamber of Commerce, who welcomed the members to the meeting saying, "he hoped that they would have a profitable meeting and that they would come often."

The total county advertising budget of $10,750, as planned by the budget committee, was unanimously adopted by the organization.

Mrs. Ernest Wilson of Palo Alto, and representing the San Francisco Women's Club, told of "Women's Day," to be held in San Francisco on March 15. The day is to be devoted to the achievements of the famous women of the five Western states, and several have been invited to attend in order that homage may be paid to them. The day has been recognized by city and State officials and the festivities will take place at the club's headquarters at Sutter and Mason streets. She urged that the members send blossoms up to the meeting to help advertise this county as well as to decorate the clubrooms.

**Blossom Festival on March 24**

The program of the Santa Clara County Blossom Festival annually conducted in Saratoga will be held on a new site approximately one mile southeast of Saratoga toward Los Gatos, F. J. Wessels, treasurer of the Civic Council of the "Foothill City," told the members. The site, which is 300 feet wide by 1500 feet long, is near Fruitvale avenue, just north of the Odd Fellows' Home, and it will afford one of the finest places in the entire valley for the audience to view miles of Blossoms as the musical and dancing program is

## Few Drugs Come In From Mexico Says Sen. Young

Senator Sanborn Young returned from Washington Monday where he went to do some missionary work for his narcotic fight, which he is up to his ears in. Senator Young started his battle when he first went to Sacramento four years ago, and he has given the best part of his time to it.

Young said the so called "white" drugs were coming into California from New York and the "black" from Seattle in quantities. He found Chicago had thrown up its hands and was not fighting the evil at all while New York was doing some good work.

Asked if drugs were coming in from Mexico he said, "No, drugs are cheaper here than in Mexico. The Mexicans use a home-grown grown drug called maryhuana, sometimes known as Indian hemp, which has made its appearance at Chicago in large quantities."

Asked why he went to Washington Senator Young replied, "To try and bring about better co-operation between the Federal narcotic officials and our State officials and chiefly to induce the Federal narcotic division to incorporate into its recommendations our proposed "State narcotic farm for all addicts.

"The Federal narcotic division have in the past taken the position that nothing more could be done to stamp out the drug traffic until foreign countries put through a program to either "pull up the poppies" or limit the manufacture of habit forming narcotic drugs to the medical requirements of the world.

"If you will read the report issued a few days ago you will find that it now recommends that individual states create addict farms for the isolation and segregation of all drug addicts.

"Although California has failed to adopt this program, it is now being enthusiastically advocated throughout the East. Congressman Porter has introduced a bill for the creation of a Federal addict farm for Federal prisoners and I predict that this same practical plan for the control of drug addiction will soon be put into operation in various parts of the country."

Senator Young still hopes California will appropriate $1,000,000 to establish an addict farm which he claims is an only solution since foreign countries won't stop manufacturing narcotics.

## Moreland Party March 17

Moreland Good Will Club held its regular meeting February 29 with Mrs. Zittle, Payne avenue.

Mrs. Earl, Chairman of the building committee gave a very full report of the cost of remodeling the clubhouse, and stated all bills so far as she knew had been met. The club, however, in order to meet the bills had been obliged to borrow a small sum from the bank.

The next meeting, March 14, to be held with Mrs. E. Johnson, Johnson avenue, will be the annual election and it is hoped there will be a full attendance.

On March 17 there will be a card party at Moreland Clubhouse to assist in liquidating the debt on the building. Tickets 50 cents. Prizes, also refreshments.

## Son Killed in Crash

Mrs. Lola Brown, daughter of A. J. Jones, who had been with him for some months was called to Casper, Wyo., Monday by the death of her son, who was killed in an auto accident there.

She expects to go from there to her home in Nebraska, but plans to return to California for next winter.

Miss Alice Strom who is teaching at New Monterey was home last week-end for a visit with her family.

## Hoover Favorite In Eastern States

"Hoover will carry Ohio in the primary," predicted H. A. Mason, secretary of the Columbus Bolt Works, Columbus, O., guest at the Lyndon today.

Mason has been in California a month, and he is now headed for home. "We have a favorite son running for president, Senator Willis," added Mason, "but we don't regard as presidential timber. He's all right for Senator or Governor, but hardly for President. Willis' chief support comes from the anti-saloon league, but strong as this is our state is over-run with bootleggers."

Mason said he was a keen admirer of Hoover, who he thought would make a great President, even better than Coolidge. He said Hoover had done considerable to stabilize their business.

Mason reported business conditions in Ohio excellent. He said his factory was running overtime. It makes all sorts of bolts. Mason said he came through Los Gatos two years ago and was so taken with the place that he resolved to return here if he ever returned to California.

## SCIANNA BOUND TO SUPERIOR COURT

The preliminary hearing of Pietro Scianna charged with arson was heard in Justice Blaine's court here Wednesday.

After examination of Chief Ed Genasci and several other firemen, who were first on the scene of the fire, Scianna was bound over to the Superior Court with bail which was furnished by a friend.

Scianna is represented by Attorneys Biaggi and Peckham of San Jose.

## FIREMEN BENEFIT

The benefit movie show for Campbell fire boys was a great success and the boys wish to extend thanks to the public for its hearty co-operation and support and to Manager Dodds of the Campbell Theater who so generously offered the use of his house for the occasion.

Following the regular monthly meeting of the Fire Company Monday evening, Harry White of the Busy Bee, treated the boys to a delightful dinner.

## PATRIARCHS CELEBRATE

Mr. F. M. Righter, our genial friend and a pioneer of this community celebrated his 85th birthday on Sunday.

N. G. Finley, the oldest settler now living in Campbell celebrated his eighty-seventh birthday Monday. Mr. Finley is making his two daily trips down town in good and bad weather and enjoying his friends as of yore.

The Press extends congratulations to these two "patron saints."

## APPRECIATION

San Jose, Calif.,
March 7th, 1928.

Mr. Harry C. Smith,
Editor.
Campbell Interburban,
Campbell, Calif.,
My Dear Mr. Smith:

We take pleasure in sending to you today a box of our Prune Week Prunes, not as a valuable gift, but to emphasize this letter of appreciation for the kind interest you, through your paper, took in our Prune Week campaign.

Very truly yours,
Santa Clara County Consolidated Chambers of Commerce.
W. F. POWARS,
Chairman Prune Week Committee.

## PLAYS AND PLAYERS STUDY CLUB TOPIC

One delightful program succeeds another as they are presented to the Country Woman's Club and that of Monday afternoon was another gem.

During a somewhat extended business meeting plans were discussed for the entertainment of the County Federation, the last Friday in April, and also for the coming entertainment when the Kalas family will furnish the program.

"Plays" was the subject for the day, with Miss Annie Schulte as chairman.

She had selected for reading a one-act play, "The Undercurrent," by Fay Ehlert which was written and produced in the playshop of Northwestern University.

The janitors' rooms in the basement of a New York apartment house is the setting of the play which in its one-act protrays the tragedy of a home ruled by an autocrat, and redeemed by the love of a mother.

Miss Schulte is particularly adept at portraying tragedy and gave a most sympathetic and affecting interpretation of the short episode.

She then read a paper which she had captioned "Some Reminiscences and Impressions of the Theater," which was entertaining as the play had been. She dwelt first upon the changes wrought upon the spoken drama by the production of movies, explaining how many actors were attracted to the screen stage, where success were varied, many of the best of the legitimate stage not being so suited to the silver sheet and vice versa.

The writer named several of the well known actors and gave very able criticisms of their work. She also mentioned a number of the spoken plays to which the public seems reverting. This has been particularly noticeable in the "Little Theater movement. Dallas Tex., has one noted throughout the country, the Community Players of Pasadena have performed in a number of Coast cities, Los Angeles, Portland and other cities are also sponsoring these groups of players.

Among the plays briefly mentioned were "Broadway," "The Letter," "The Shannons," "Porgy," "The Trial of Mary Dugan," "The Escape" and "A Strange Interlude."

## AINSLEY GARDENS A BEAUTY SPOT

During the early months of the year one of the most attractive and beautiful sights of this beautiful valley is the bulb garden of Gordon Ainsley at Campbell.

These flowers, the King Alfred daffodils, are among the most popular and at this season the gardners are picking for the market over 10,000 blooms each week. This variety is exceptionally large and brings a fancy price on the markets of San Francisco and San Jose.

Beside the sale of blooms from these imported bulbs Mr. Ainsley expects to have about 20,000 of the bulbs for sale in the fall.

Several choice varieties of these imported bulbs will bloom in order so this garden will be producing blossoms for some weeks to come.

Because of department regulations importation of bulbs is restricted and the Ainsley Gardens are of the comparatively few concerns who comply with the law thereby have a very fine assortment.

Mrs. Percy Dunlap and Mrs. H. C. Smith represented the secretary and president respectively of the Campbell Chamber of Commerce at the County Consolidated meeting at Mountain View Tuesday.

## LEAGUE OF NATIONS KIWANIS SUBJECT

Horace Gruwell sprung a new entertainment at Kiwanis luncheon introducingMiss Newby in a song and dance number with Miriam Blaine at the piano.

The diners heard one of the best talks of the year on the League of Nations and World Court as given by Mr. Warren Pillsbury of San Francisco. The matter of the United States joining the league is not now a subject of partisan politics as both major parties have it as part of the planks and prominent leaders of both parties in Congress are for that co-operation. It is already a part of the foreign policy of these United States.

The greatest progress in history has been made in the last 100 years and the United States of America has been one of the leaders in this great advance.

Of the 66 nations in the world, 55 now belong, five-sixths of the civilized nations in one organization to promote peace. Each nation, great or small, has one vote in the league which meets annually at Geneva.

The league has handled nine controversies in seven years in which war was threatened or actually begun. Through international co-operation 1200 treaties have been registered with this organization. United States, although not a member has registered all her treaties with the league.

A number of commissioners and committees within the league are functioning over a wide field of endeavor, such as economics, health, labor, opium control, illegal traffic, child welfare and armament problems. United States is represented and takes an active part in the various conferences, in fact, as Chester Rowell has said, is seven-eighths in the league already. It is hoped that this year will see the objections to joining the league set aside.

The World Court in five years has settled 24 questions.

It is believed that entrance into the league will greatly expand trade and production by international co-operation.

President Doc Merrill announced that the benefit entertainment for the library building fund will be given April 13. The show will take on a variety of performances or vaudeville acts and a one-act play.

Next Tuesday is a closed meeting and important business will be discussed. Vice-President Ed Weisendanger will preside.

## HIGHWAY COMMITTEE NAMED FOR COUNTY

The following have been appointed a committee on highways by Dr. W. C. Bailey, president of the San Jose Chamber of Commerce to serve during the present fiscal year. One of the important duties of this committee will be to co-operate with the County Board of Supervisors and the San Jose City Council in working out a street, road and highway system of exits and entrances for auto traffic through the several cities of this county where needed, to take care of the ever increasing traffic through the cities and the valley. Every Supervisorial district in the county is represented on this committee.

Judge J. E. Welch, chairman; J. T. Haviland, vice-chairman; F. Earle Granger, W. S. Clayton, E. N. Richmond, H. A. Harms, Dr. Charles C. Wayland, R. F. Benson, Arthur McClay, Lucas Downing H. S. Rexworthy, Harry C. Smith.

The Campbell Epworth League will hold a food sale at the Gilson Market, March 17, from 9 a. m. to 12. Mr. Gilson will present a picnic ham to the one who makes the "biggest buy" at this sale.

## Mrs. G. M. Roy Dies

Mrs. Sarah Roy, wife of G. M. Roy, passed away in San Jose last Friday at the age of sixty-two. Mrs. Roy is survived by her husband, two daughters, Mrs. A. M. Eisfelder of Pittsburg, Pa., and Mrs. Max Bloom of San Jose and a son, Dr. David G. Roy also of San Jose. A number of years ago the Roy family lived on a ranch on Union avenue where they had a nice home that was burned. They had many friends in the neighborhood who extend their sympathy to her sorrowing family

## THAT MONROE DOCTRINE

**(By President JAMES MONROE)**

In the wars of the European powers in matters relating to themselves we have never taken any part, nor does it comport with our policy so to do. It is only when our rights are invaded or seriously menaced that we resent injuries or make preparation for our defense. With the movements in this hemisphere we are of necessity more immediately connected, and by causes which must be obvious to all enlightened and impartial observers. The political system of the allied powers is essentially different in this respect from that of America. This difference proceeds from that which exists in their respective Governments; and to the defense of our own, which has been achieved by the loss of so much blood and treasure, and matured by the wisdom of their most enlightened citizens, and under which we have enjoyed unexampled felicity, this whole nation is devoted.

We owe it, therefore, to candour and to the amicable relations existing between the United States and those powers to declare that we should consider any attempt on their part to extend their system to any portion of this hemisphere as dangerous to our peace and safety.

With the existing colonies or dependencies of any European power we have not interfered and shall not interfere. But with the governments who have declared their independence and maintained it, and whose independence we have, on great consideration and on just principles, acknowledged, we could not view any interposition for the purpose of oppressing them, or controlling in any other manner their destiny by any European power in any other light than as a manifestation of an unfriendly disposition toward the United States. Presidential Message, December 2, 1823

## Chet Powell's Ire Up

Chester Powell scolds Jim Reed of Missouri and calls him a demagogue for saying if he is elected president he will chase the rogues out of office, and give honest people a chance. Chester waxes indignant, and wants to know if Reed is shaking his fist at President Coolidge who is anything but a rascal says Chester. In another paragraph of his column Rowell takes a gentle side swipe at Andy Mellon who is out to capture the Pennsylvania delegation to the next Republican convention, and the surmise is Mellon is not for Hoover who views Herbert as a radical—Why no one can explain—It appears that Andy being a high powered business man, whose time is precious, has been telephoning around to the boys of the different districts of Pennsylvania telling them not to pledge themselves until they hear from him, and this sort of politics disturbs Rowell who likens Andy unto Mussolini who also has his pecular ideas about who should vote, and who should not at his elections. Can it be that Jim Reed was thinking of Andy Mellon among others when he was spellbinding on kicking rogues out in the high places. Mellon was interested in the election of Vare who failed to make the grade at Washington.

## Feed the Birds

Everybody likes birds, and would like to see more of them. And there is a way. Birds are friendly beings, and if you will cultivate their acquaintance, their visits will become frequent. And one way to cultivate it is to appeal to their bodily wants. You like to call on a friend who sets a good table, and has a glass of grape juice or good cup of coffee to wash it down. Hundreds of little birds will visit your yard if there are some tasty crumbs about, and a little basin of cool water to wash down the crumbs. You can have these little songsters drop in on you as you do your friends if you will only exercise a little thoughtfulness.

## CAMPBELL P. T. A.

Thirty of the Glee Club girls taken from the sixth, seventh and eighth grades under the direction of Miss Helen Neilson sang two-part songs at the regular monthly meeting of the P. T. A. "Indian Down," "Volga Boatman," and "California Lullaby" were beautifully rendered. The girls wore a natty new uniform consisting of white skirt with black sweater having a yellow lyre on the right side.

Mrs. Barrett procured the film "Toxin and Antitoxin," descriptive of the old and new ways of treating diptheria, from the Metropolitan Life Insurance Company. Dr. W. I. Merrill kindly gave a descriptive talk along with the picture, giving a clearer idea of the importance of this serum. His cooperation with the parents will put this antitoxin in the school in the near future.

"Spiritual Training," a greatly needed aid in bringing up children, was well handled by Mrs. Dana Thomas in her address.

Miss Birdie Husted, third grade teacher, won the prize for the greatest number of parents present.

A surprise spread, including place cards made by Mrs. Davidson's class, closed a very enjoyable meeting.

EMERGENCIES that impose financial burdens and responsibilities cannot be ignored or deferred. Inevitably, they occur when least expected. Prudent persons always anticipate the possibility of unforeseen conditions and are fortified against them. A few dollars deposited each month in an American Trust Company savings account will allay the dread of future eventualities. ## Hi Seniors Stage Genteel Production

La, 'tis a lovely play, most genteel, and it is to be presented by Campbell High School's largest (and most promising) graduating class.

Eulah Hook and Jean Ross as the Misses Phoebe and Susan Thrassel, and Jack Murdock as the "gallant" Captain Brown are admirably cast in the leading roles.

Stephen Merrill, as young Ensign Blades, has a terrible time worrying about his complexion. Whenever he feels himself getting a trifle fussed, he apeals to Charlotte Parrott (Opal Overshiner) and she smooths over the situation. La, what a quiz she is! Miss Phoebe worrys just a little bit about Charolotte, because she is such a flirt. Capt. Brown might prefer her to Phoebe.

Antoinette Zilmer, Ruth Townsend, and Esther Hedegard are "the" Misses Wiloughby. Nothing escapes them! They should have edited a newspaper, they are so good at gathering up the news of "Quality Street."

Myra Lester is Patty, the servant, of the Misses Thrassel. Patty's job is to keep the Misses Wiloughby out, and let Capt. Brown in.

"Quality Street" is being coached by Miss Kittie Johnson and Miss Marian Jenkins. The results of their separate coaching have been seen before. What may they not do together!

Just this much is worth 50 cents and there is so much more! Buy your tickets from any Campbell Hi Senior. There is no extra charge for reserved seats. Buy your tickets at once, they are selling rapidly.

## BASKETERS' BATTLE

Saturday night, March 10, there will be two fast and exciting basketball games at the Campbell Union High School gymnasium.

The first game will be between the Campbell alumni 145's and the San Jose alumni 145's. In their previous encounter the San Jose 145's defeated the fast red and white team by a score of 23 to 21. This game was fast from start to finish. The Campbell 145's are out for blood this Saturday night.

In the second and main event of the evening the heavy Campbell alumniunlimited will play the San Jose Alumni unlimited. In their last game the Campbell warriors won by a score of 33 to 32. Excitement was intense throughout the game.

The first game will start promptly at 8 o'clock Saturday night.

Last Saturday the Campbell Alumni teams traveled to Santa Cruz and won both of their games. The Campbell 145's defeated the Druids of Santa Cruz 25 to 11 and the Campbell alumni unlimited defeated the Santa Cruz Huskies 38 to 11.

## Dinner Changed

On account of the Uncertainty of weather the Progressive Dinner planned by the High School P.-T. A. for Monday evening, March 12, will be held in the cafeteria of Campbell Grammar School instead of in the various homes as was previously arranged

As only a certain number can be seated comfortably, admission must be by ticket, and they are on sale with Mrs. Lloyd Gardner, Mrs. Dort, Mrs. Zilmer, Mrs. A. D. Rice, Mrs. Hedegard, Mrs. W. I. Merrill and Mrs. D. H. Cramer.

Buy one and come and enjoy a feast of home-cooked food, also an evening of music and games.

Remember the date, Monday evening, March 12.

## CONG'L. CHURCH NOTES

Next Sunday at 11 a. m. the special sermon for the Lenten season will be, "Christ the Good Shepherd," children's talk: "Join the F. A. G. Brigade."

Christian Endeavor meeting at 6:30 p. m., speeches. A welcome to all younger folk.

Special Campfire service, subject of talk: "Seek Beauty." Preacher, Rev. J. H. Bennett.

Next Wednesday—Fellowship supper at 6:30 p. m., in connection with the "Busy Bee" The dinner will be 40 cents and the menu is as follows:

Spring salad, crackers, baked beans, Boston brown bread, asparagus, pumpkin pie, coffee.

## Consolidated Meet

(Continued from Page One)

being carried on.

Saturday, March 24, has been set as the date for the festival, and it is expected that, because of the extensive parking facilities at the new location, several thousands more people will attend. According to J. U. Higinbotham, who later spoke, a beautiful platform has been designed and will be erected on one knoll; the audience will have ample space on the opposite knoll and the exceptional vista of the valley is practically in between. He also stated that a 50-piece band under the direction of George T. Matthews of the San Jose High School will provide the music and that the dancing on the program will be directed by Vivian Annette Johnston.

**Sanitation District Proposal**

Dr. W. I. Merrill of Campbell, chairman of Consolidated's committee on county sanitation, sent a report to the meeting requesting thoughful consideration of a large sanitation district for the county. He informed the members that a petition was soon to be passed around in the proposed district, and that, after the necessary legal steps had been taken, the Board of Supervisors would present the proposition to the voters, and if a two-thirds favorable vote was received the necessary survey would be made for the district. He stated that he felt a large district was the most practical and the cheapest.

**Community Co-operation**

Dr. W. C. Bailey, president of the San Jose Chamber of Commerce, spoke on community celebration and urged every city in the county to co-operate with their sister cities in conducting such fine events as the Saratoga Blossom Festival, the Los Gatos Pageant, the Campbell Old Settlers' Day, the Mountain View Exposition and the San Jose Fiesta de las Rosas.

Dr. W. I. Wilcox was appointed chairman of the State Fair Exhibit committee, and Max crow of Gilroy, Wendell C. Thomas and Russell Pettit of San Jose were announced as the other members.

Those present were: Roger Sherman, P. Milton Smith, Walter L. Ericksen, Franklin Bache, Jack Cutherell, J. W. Atkinson, Claude Redwine, Wm. F. Manlove, C. Eschen, Walter Boust, J. V. Manfredi, A. J. Knight, A. G. Godard, D. W. Stearns and E. N. Powell of Mountain View; Mrs. H. C. Smith and Mrs. P. H. Dunlap of Campbell; Miss Donna M. Winning and Mrs. I. L. Colbath of Los Gatos; C. C. Spaulding, H. H. Wolford and Clem Bradshaw of Sunnyvale; George S. Brinton of Lincoln, Neb.; Miss Bernice Downing and C. W. Haman of Santa Clara; L. C. Renn, J. U. Higinbotham, F. J. Wessels and W. P. Wilkinson of Saratoga; Thos. D. Landels of Los Altos; A. A. Mendenhall and Howard J. Canine of Palo Alto; Max J. Crow and Frank N. Staniford of Gilroy; T. H. Miller and O. R. Prien of Morgan Hill; Dr. C. W.Bailey, Wendell C. Thomas, A. M. Mortenson and Russell Pettit of San Jose.

The Spirit of Service

IN JULY, 1926, lightning struck the Navy Arsenal at Denmark Lake, New Jersey. The explosion demolished the $80,000,000 plant, rocked the countryside, left thousands homeless and many dead.

High upon the roster of those who responded to the call of duty were the telephone workers. Operators in the danger zone stayed at their posts. Others, on their own initiative, hurried back to help. Linemen and repairmen braved exploding shells to restore the service. No telephone worker left the affected area.

Through the twenty-four hours of the day as well as in every emergency it is the spirit of service that causes Bell System employees to set aside all thought of personal comfort and safety and, voluntarily, risk their lives to "Get the message through."

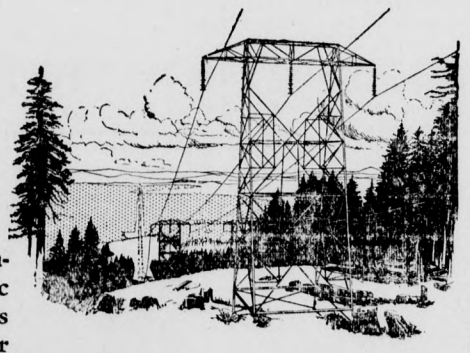
# Electric Rate Reduction

*For Lighting NOW in Effect*
*New Domestic Rates in Effect April 1, 1928*



**$1,750,000.00 Saving**

Through the application of the new electric rates, customers of this Company will save over $1,750,000.00 a year based on present use of electricity.

**Average 10% Reduction**

As for example in the metropolitan bay area, a customer who formerly paid $2.40 a month will now pay $2.15, or a saving of $3.00 a year, or more than one month's bill.

**Lighting Cheaper**

The new lighting schedules go into effect automatically with the top or maximum rate greatly reduced.

Upon application from the domestic consumer qualifying, there is offered a new rate for combined use of light and heat or power.

**Domestic Rate**

Where domestic consumers have lighting service and in addition use electric appliances totaling 1000 watts or more capacity this new rate applies. In the bay area a domestic consumer formerly paying $3.30 will now pay $2.60 a month, a saving of $8.40 a year, or a reduction greater than two and a half months' bill under the former lighting rate —*all territory will be reduced in similar proportion.*

**Old Minimum Charges Abolished**

In place of the former 90c, $1.00 or $1.25 minimum charges there will now be a small service charge of 40c, 50c or 70c — in accordance with the territory served.

**Heating and Cooking Rates as Low as 1½ Cents Per Kilowatt Hour**

The new schedules provide attractive lower rates for this class of service and are designed to encourage a greater use of electricity. These rates are among the lowest obtainable anywhere.

## *Make Electricity Your Household Servant*

Let it brighten the gloomy corners—do the cooking—ironing—washing. Let it sweep the floors—operate the electric fan—drive away the chills. It will percolate the coffee, make the toast, keep your food cool and wholesome. It will aid you in many ways through the use of the modern electric labor saving devices, obtainable through the local electrical dealers or our offices.

Our representative will be pleased to explain how a greater use can be made of your electric service through the application of these new rates.

**Electricity is cheaper—you can use more of it**

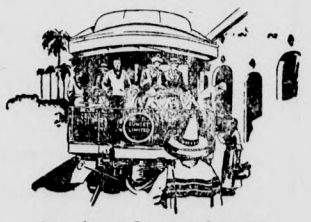
# East through the *Sunny South*



*—Sunset Limited, famed 'round the world, offers a journey of rare attraction.*

Southern Pacific's colorful *Sunset Route* lies along the nation's southern border. Through California's orange lands, across fertile mesas and broad plains and along placid Louisiana bayous to New Orleans. All the way the romance and historical interest of the Southwest and the Old South. See Apache Trail highway—one day side trip in Arizona.

It costs no more to go east this way to New York. From New Orleans, continue by train or enjoy the delightful ocean voyage to New York aboard Southern Pacific's steamship (meals and berth on the ship included in your fare).

Over this route, "Sunset Limited" carries you swiftly and comfortably. Its appointments are complete in every detail. Also the "Argonaut" from Los Angeles over this route.

Go this way and return some other Southern Pacific route if you wish —*Overland Route*, Chicago to San Francisco; *Golden State*, the direct line from Chicago to Los Angeles and San Diego; or *Shasta Route*, west over northern lines and south from Seattle and Portland.

Read the interesting *Sunset Route* booklet describing the trip in detail. Ask for a copy and for further details.
